

### **61.8715 Legislative findings.**

The General Assembly finds an essential relationship between the intent of this chapter and that of KRS 171.410 to 171.740, dealing with the management of public records, and of KRS 11.501 to 11.517, 45.253, 171.420, 186A.040, 186A.285, and 194B.102, dealing with the coordination of strategic planning for computerized information systems in state government; and that to ensure the efficient administration of government and to provide accountability of government activities, public agencies are required to manage and maintain their records according to the requirements of these statutes. The General Assembly further recognizes that while all government agency records are public records for the purpose of their management, not all these records are required to be open to public access, as defined in this chapter, some being exempt under KRS 61.878.
