

UNIVERSITY OF KENTUCKY

LEXINGTON, KENTUCKY 40506

OFFICE OF THE PRESIDENT

March 9, 1970

Memorandum

To: University Faculty

From: Otis A. Singletary *OAS*

Subject: Medical Center Clinical Sciences and
Special Title Series Area Committee

Upon the recommendation of Vice President Willard and following consultation with the Senate Council and appropriate administrative officials of the University, I am renaming the Clinical Sciences for Medicine and Dentistry Area Committee the Medical Center Clinical Sciences and Special Title Series Area Committee.

This newly-structured committee will, in addition to its function in relation to the clinical faculties of the Colleges of Medicine and Dentistry, consider the proposed appointment, promotion and tenure of the following:

- Faculty of the College of Nursing
- Faculty of the Department of Clinical Pharmacy
- Faculty of the School of Allied Health Professions
- Other faculty in the Special Title Series

Considering the responsibilities of this new committee, the Senate Council concurs that it should be comprised of three faculty from the College of Medicine, two from the College of Dentistry, and one each from the Colleges of Nursing, Pharmacy, and the School of Allied Health Professions. I am requesting the Senate Council to submit recommendations concerning individuals for committee appointment. As soon as these recommendations are received, appointments will be made and the committee will be activated.
