C A M P U S

Dear Dr. Singletary:

Our Committee on Privilege and Tenure is sending ten copies of our recommended changes in the proposed revision of the Governing Regulations and Rules of the University Senate on matters pertaining to privilege and tenure. These are essentially the same as the preliminary copy left with you during our visit on December 15 with the following additions:

Page 7 of the Recommendation on the Governing Regulations, section 11 was added.

Last two paragraphs on page 2 and all of page 3 of the recommendations on rules, concerning the procedure for Hearing Committee were added.

I will be pleased to discuss the recommendations with you at your convenience if you wish. We would like to submit the recommendations to the Senate Council by January 6 in time for consideration by the University Senate at its January meeting as requested. If you have questions or suggestions would it be possible for us to meet before that deadline? My telephone number is 2571 instead of that listed in the directory.

Sincerely,

William F. Wagner
