to consider the recommendation of the College  
be appointed Professor with tenure, Regular Title Series, in the Department of  
Committee members present and voting were Drs.  
Dr. was  
unavailable.

Ph.D. degree in , spent the following  
year there as a Postdoctoral Fellow, and was appointed Assistant Professor  
in . After he was granted tenure and promoted  
to Associate Professor.

proved himself best teachers, receiving numerous  
awards at the national, university, college and departmental levels. Included among these are

Many  
of his former students remember him as an outstanding teacher and mentor and consider him a role  
model for their professional lives. one former student and now  
professor at says, "I cannot overstate the respect that I have as a  
mentor and advisor, and teacher in that he has taught me what I need to aspire to". Today he remains  
extremely active promoting and working for improvements in all aspects of primary, secondary and  
tertiary education Clearly he was and has the ability to be an outstanding teacher in

4 Ph.D. and 5 M.S. students earned their degrees under his supervision.

include two significant grants totaling \$200K from He has 12 referred papers, the majority of these in prestigious journals, 7 conference proceedings papers, 8 U.S. Patents encompassing

16 oral presentations, and numerous invited seminars and speeches at universities, business organizations and companies. Special note should be made of his 8 patents,

These patents attest to Dr. Todd's high level of scientific creativity. They are a valid measure of scholarship in that they continue to produce new products and at the time generated new ideas in the field of

As Professor at the University of stated, "I would rate these areas as state-of-the-art at the time of the research".

Throughout his professional career, has been an outstanding leader in service

he served on 19 committees, with many of these of extreme importance to

He has been a consultant to 9 different companies and served on the Boards of 14 different organizations including the

Of particular significance is his service in promoting the development of

has proven himself an outstanding teacher, a good researcher with a high level of creativity and a person of unquestionable devotion to service at all levels of education and the
