Re: Dr. Joseph M. Hayse
Promotion and Tenure

Having considered the file relative to Dr. Hayse's promotion and tenure and the recommendations of other University officials, I concur with the opinions of Chancellor Hemenway, Chairman David Durant and the Arts and Humanities Area Committee that Dr. Hayse should not be promoted and tenured.

Although apparently an excellent teacher, Dr. Hayse's demonstrated scholarship was simply inadequate, in my opinion, to justify promotion and tenure.

Sincerely,

Charles T. Wethington, Jr.
President
